## **Landscaping Update: Planned Works at Rear of Lambfold House**

Dear Lambfold House Residents,

We would like to inform you that landscaping works to the rear of Lambfold House are scheduled to commence on 8th December. These works will involve removing the existing soft landscaping, importing and installing topsoil, and preparing the area for the final soft landscaping, which will be completed at a later stage.

In addition, we will begin forming the new parking bays adjacent to the main entrance of Lambfold House. This will include removing the existing surface, installing kerbs, and importing stone materials in preparation for the permanent surfacing. Sometimes we may need to work on Saturdays to stay on schedule and finish the new landscaped areas for residents. If this happens, Saturday working hours will be limited to 8am–1pm, and we will do our best to keep any disruption to a minimum. Thank you for your understanding and cooperation while these improvements are carried out.

Ruzi Bibi  
Resident Liaison Officer
