Upcoming temporary access restrictions at Shepherd House

As part of the current landscaping works, temporary access restrictions will be in place at the two entrance areas at Shepherd House during the week commencing 9 March. This will also impact access to the Shepherd House bin stores.

Each restriction will be for a short period, typically a couple of hours. Only one entrance will be affected at a time, so resident access can be maintained.

We will contact Shepherd House residents again closer to the time to confirm the dates and times of works.
